**REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF
EUROPEAN PARKINSON'S DISEASE ASSOCIATION**

We have audited the financial statements of European Parkinson's Disease Association for the year ended 31 December 2006 on pages four to eight. These financial statements have been prepared in accordance with the accounting policies set out therein and the requirements of the Financial Reporting Standard for Smaller Entities (effective January 2005).

This report is made solely to the Association's members, as a body. Our audit work has been undertaken so that we might state to the Association's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Association and the Association's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of Administration Board and auditors

As described on page two the company's Administration Board are responsible for the preparation of financial statements in accordance with applicable law and generally accepted Accounting Standards.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Association's constitution. We also report to you if, in our opinion, the Report of the Administration Board is not consistent with the financial statements, if the association has not kept proper accounting records, or if we have not received all the information and explanations we require for our audit.

We read the Report of the Administration Board and consider the implications for our report if we become aware of any apparent misstatements within it.

Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the Administration Board in the preparation of the financial statements, and of whether the accounting policies are appropriate to the association's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

We have undertaken the audit in accordance with the requirements of APB Ethical Standards including APB Ethical Standard - Provisions Available for Small Entities, in the circumstances set out in note 7 to the financial statements.

Opinion

In our opinion the financial statements give a true and fair view of the state of the association's affairs as at 31 December 2006 and of its surplus for the year then ended and have been properly prepared in accordance with the association's constitution.
